## EDUCATION

### IIIT GUWAHATI

B.TECH IN COMPUTER SCIENCE AND  
ENGINEERING

Cum. GPA -8.26/10.0

May 2024

### BRITISH ENGLISH SCHOOL

SENIOR SECONDARY EDUCATION

May 2019

Percentage : 83.0

### MANAS VIDYALAYA

SECONDARY EDUCATION

May 2017

CGPA : 10.0

## SKILLS

### PROGRAMMING

•C++

### DEVELOPMENT

•HTML•CSS•JavaScript

•React.js•Node.js

•.NET Core•REST API

### DATABASES

•MongoDB•MySQL

### OPERATING SYSTEMS

•Windows

### TOOLS

•Postman

•Visual Studio

•Visual Studio Code

•SQL Server Management Studio

## COURSEWORK

•Database Management System

•Object-Oriented Programming

•Data Structure and Algorithms

## HOBBY

•Involving in Social Services

•To play online games

## PROJECT

### E-COMMERCE DASHBOARD [LINK]

- A user-friendly platform that simplifies product management, allowing you to effortlessly sign up, add, delete, and update products with ease.
- Effortlessly update and modify product details with our real-time MongoDB integrated platform.
- Tech Stack-React,Node and MongoDB.

### IMAGE HUNT [LINK]

- Designed an **Image Search Website** showcasing my proficiency in front-end web development.
- Ensured that the website is fully responsive, offering a consistent and optimized user experience across various devices, including desktops, tablets, and mobile phones.
- Utilized JavaScript to handle user interactions, fetch images from external APIs.
- Tech Stack-HTML,CSS and JavaScript.

### IMDB WEBAPI

- Developed ony backend of full-stack web application that supports **CRUD** operations for movies, actors, and producers.
- Designed database for the application and used Microsoft SQL Server for managing database.
- Implemented layered architecture: **Repository, Service and Application** layers which reduced coupling.
- Used **Behavior-Driven Development (BDD)** for testing all the features using **Specflow Gherkin syntax**.
- Tech Stack-C#,SQL Server,REST API

## POSITION OF RESPONSIBILITY

### EVENT ORGANISER | NAVPRAYAS

May.2022-June.2023

- Organised various events like Manpur Talent Search Examination(MTSE),Puzzle Race and Pratibha Milan in the village of Manpur Patwatoli,Gaya in Bihar.

## ACHIEVEMENT

- Secured AIR(OBC) - 7935 in IIT-JEE (Mains) 2020.
- Made contributions in different open source projects and won swags in Hacktober Fest 2021 and 2022
- Participated in CodeRush in 2023
- Qualified qualifier round in Google Code Jam 2022.
- Highest rating 1600+ on codechef.
- Solved 1000+ questions on Leetcode.
